

High-performance AM labels

RF Labels | RF Systems | Deactivators | Alarming Product | Labels | Safers

In order to adapt to the demand of the market, Century has developed a high performance AM label—RS01. In addition we also upgrade the two other labels in our product range RS03 & RS05. Century has dedicated years of developing the high performance AM-label RS01 in order to meet the demands of the high end market. Century proudly presents the NEW AM label with a 15% increase in performance.

Features

- A 15% higher performance compared to R001
- Higher reliability
- The most cost efficient AM label in the industry
